PLAYING RULES:

1. Innings – 3 innings or 60 minutes, whichever is first.
2. Coach Pitch- Coach's pitch in an over motion) 30 feet from home plate (umpires' discretion). The batter is considered out and runners do not advance if a ball is not hit into fair play. The batter receives 3 swings of 4 pitches.
 - a. The hitter has 4 pitches to put the ball in play and there are no called strikes. The 4th pitch is the last pitch no matter what.
3. There will be no strikeouts. Each player will have an opportunity to bat.
4. Up to 10 players can play in the field every inning.
 - a. Defense Positions: pitcher, catcher, first base, second base, third base, shortstop, and four (4) outfielders.
 - b. A coach can cover home plate but cannot be involved in a play. All outfielders must be positioned in the outfield grass until the ball is hit.
 - c. Rotating players to new positions or from the bench between innings is required so everyone gets equal playing experience. The pitcher must remain in the pitcher's circle located around the pitching rubber until the ball is hit.

- d. Players cannot play the same position for more than 2 consecutive innings, at least 1 inning infield/1 inning outfield.
 - e. SUBSTITUTIONS: No player can sit 2 innings. Everyone must play.
5. The child playing catcher will be required to wear catchers gear at all times. The catcher is required to stand at the backstop until the ball is hit. After the ball has been hit, the catcher may move to cover home plate and assume duties of the catcher. This is to minimize injuries and protect players from possible flying bats.
 6. Baselines shall be set at 60 feet unless already determined by the playing facility.
 7. Each team is allowed one coach/volunteer in the infield and one in the outfield when their team is on defense.
 8. The ball is considered in play after it is hit into fair territory and continues to be in play until (a) a defensive player throws the ball to a teammate and makes an out, (b) the ball enters dead ball territory (c) a defensive player holds the ball above his/her head to show control after attempting to make an out.
 9. Excessive bat throwing is an automatic out after proper warning and instructions.
 10. No score is to be kept during the season.
 11. Outs will be called at base, at which point the player returns to the dugout. No matter how many outs, every player on the team will continue to hit for the remainder of the inning.
 12. Force outs and tag outs will be called accordingly and progressively.

BATTING ORDER

All players present at the game will be placed in order in which they will hit. The order will remain constant throughout the game.

1. The entire team is to rotate at bat until each player has batted each inning. Each player may bat only once per inning. Batting order should remain the same for the duration of the game. Last batter hits a grand slam to clear the bases.
2. Each batter will be allowed 3 swings on 4 pitches during an at bat. Foul balls will be considered a swing and will count towards the total number of swings for that at bat. If a player hits a foul ball on the 3rd swing, he/she will be given one (1) additional swing with a tee, which will then conclude the at bat
3. Only after the the 4th pitch if the tee is needed. The coach/volunteer of the team at bat will be responsible for adjusting the tee for each individual batter and placing the ball on the Tee to commence play.
4. The coach/volunteer will ensure that the batter is properly positioned in the batter's box before placing the ball on the Tee.
5. The coach will be responsible for removing the tee from home plate once the ball has been hit (if there are runners in scoring position) and will return it to the home plate area for the next batter after the ball has been declared dead.

BASERUNNING

Base runners may not leave the base until the ball has been hit. Players may only advance one base at a time. The last batter in the lineup will advance to all four bases to end the inning.

1. Base stealing is not permitted. A base runner cannot take lead offs.

2. Intentional blocking of ANY base, including home plate is NOT ALLOWED under any circumstances and is cause for removal from the game. If a player accidentally blocks or impedes a runner, the runner is given the extra base.
3. A base runner may advance one base only on every hit in the infield. If the ball is hit into the outfield then two bases may be run.
4. Sliding is allowed, although not recommended except when dictated by the regular flow of the game.
5. All players running the bases and at bat must wear a helmet at all times.
